You are advised to read and understand the relevant Prospectus, Information Memorandum and/or Disclosure Document including any supplemental thereof and the Product Highlight Sheet (if any) before Investing. Among others, you should consider the fees and charges involved. The registration of the relevant Prospectus, Information Memorandum and/or Disclosure Document including any supplemental thereof and the Product Highlight Sheet (if any) with the Securities Commission Malaysia (SC) does not amount to nor indicate that the SC recommends or endorses the funds. A copy of the relevant mentioned documents including any supplemental thereof and the Product Highlight Sheet (if any) may be obtained at our offices, distributors or our website at www.principal.com.my. The issuance of any units to which the relevant mentioned documents relates will only be made on receipt of an application referred to in and accompanying a copy of the relevant mentioned documents. Please be advised that investment in the relevant unit trust funds, wholesale funds and/or private retirement scheme carry risk. An outline of the various risk involved are described in the relevant Prospectus, Information Memorandum and/or Disclosure Document. As an investor you should make your own risk assessment and seek professional advice, where necessary. The price of units and distributions payable, if any, may go down as well as up. Where past performance is quoted, the past performance of a fund should not be taken as indicative of its future performance. Where unit trust loan financing is available, you are advised to read and understand the contents of the unit trust loan financing risk disclosure statement before deciding to borrow to purchase units. Where a unit split/distribution is declared, you are advised that following the issue of additional units/distribution, the NAV per unit will be reduced from pre-unit split NAV/cum-distribution NAV to post-unit NAV/ex-distribution NAV. Where a unit split is declared, you are advised that the value of your investment in Malaysian Ringgit will remain unchanged after the distribution of the additional units.
