

## Important Notice: Beware of Fraud and Impersonation Scams

We would like to remind the public to remain vigilant against fraud and scams involving impersonation of our name, brand or representatives across messaging applications and social media platforms.

Please note that while Principal Malaysia may share general marketing or information materials through our official messaging applications and social media platforms, we do not request personal, financial or account information, provide personalised investment advice, or conduct investment transactions through these channels. Any communication requesting such information should be treated with caution.

To protect yourself:

- **Verify authenticity:** Confirm any communication claiming to be from Principal Malaysia is genuine.
- **Keep information private:** Never share personal, financial, or account details with unverified sources.
- **Watch for red flags:** Be cautious of unsolicited messages, investment offers, or payment requests.
- **Stay Vigilant:** Fraud and scams often target personal information—review all requests carefully before responding

If you receive any suspicious communication or are unsure about its authenticity, please contact us through our official channels:

- Email: [myservice@principal.com](mailto:myservice@principal.com)
- Call: **+603-7723 7260**
- Chat: **+6016 2999 792**

Your security is important to us. When in doubt, **always** verify directly with Principal Malaysia.
