Note: July 2017 to November 2019.

Performance data represents the combined income & capital return as a result of holding units in the fund for the specified length of time, based on bid to bid prices. Earnings are assumed to be reinvested.

Annualised yield is calculated as the most recent monthly dividend distribution multiplied by the Fund's dividend frequency and divided by the latest NAV.

We recommend that you read and understand the contents of the CIMB-Principal China Multi Asset Income Fund Information Memorandum dated 3 July 2017, which have been deposited with Securities Commission Malaysia before investing and that you keep the said Information Memorandum for your record. Any issue of units to which the Information Memorandum relates will only be made upon receipt of the completed application form referred to in and accompanying the Information Memorandum, subject to the terms and conditions therein. The principal risks are returns not guaranteed, market risk, inflation risk and loan financing risk. The specific risks of the Target Fund are currency risk, Fund manager's risk and country risk. You can obtain a copy of the Information Memorandum from the head office of Principal Asset Management Berhad (formerly known as CIMB-Principal Asset Management Berhad) or from any of our approved distributors. We suggest that you consider these fees and charges carefully prior to making an investment. Unit prices and income distributions, if any, may fall or rise. Past performance is not reflective of future performance and income distributions are not guaranteed. Product Highlight Sheet ("PHS") is available and that investors have the right to request for a PHS; and the PHS and any other product disclosure document should be read and understood before making any investment decision. There are fees and charges involved in investing in the funds. We suggest that you consider these fees and charges carefully prior to making an investment. Unit prices and income distributions, if any, may fall or rise. Past performance is not reflective of future performance and income distributions are not guaranteed. You are also advised to read and understand the contents of the Financing for Investment in Unit Trust Risk Disclosure Statement/Unit Trust Loan Financing Risk Disclosure Statement before deciding to borrow to purchase units. All performance figures have been extracted from Lipper. Where a unit split/distribution is declared, investors are advised that following the issue of additional units/distribution, the NAV per unit will be reduced from pre-unit split NAV/cum-distribution NAV to post-unit split NAV/ex-distribution NAV; and where a unit split is declared, the value of your investment will remain unchanged after the distribution of the additional units

Carefully consider a fund's objective, risks, charges and expenses. Visit www.principal.com.my for a prospectus containing this and other information. Please read it carefully before investing.
