^Based on the fund's portfolio returns as at 15 November 2019, the Volatility Factor (VF) for this fund is 8.820 and is classified as "Moderate" (source: Lipper). "Moderate" includes funds with VF that are above 6.455 but not more than 8.845. The VF means there is a possibility for the fund in generating an upside return or downside return around this VF. The Volatility Class (VC) is assigned by Lipper based on quintile ranks of VF for qualified funds. VF is subject to monthly revision and VC will be revised every six months. The fund's portfolio may have changed since this date and there is no guarantee that the fund will continue to have the same VF or VC in the future. Presently, only funds launched in the market for at least 36 months will display the VF and its VC.

We recommend that you read and understand the contents of the CIMB-Principal Malaysia Equity Fund (Formerly Known as CIMB-Principal Equity Fund 2) Prospectus Issue No. M3 dated 30 June 2017, which has been duly registered with the Securities Commission Malaysia, before investing and that you keep the said Fund Prospectus for your records. Any issue of units to which the Fund Prospectus relates will only be made upon receipt of the completed application form referred to in and accompanying the Fund Prospectus, subject to the terms and conditions therein. Investments in the Fund are exposed to risks associated with investment in warrants and stock specific risk. You can obtain a copy of the Fund Prospectus from the head office of Principal Asset Management Berhad (formerly known as CIMB-Principal Asset Management Berhad) or from any of our approved distributors. Product Highlight Sheet ("PHS") is available and that investors have the right to request for a PHS; and the PHS and any other product disclosure document should be read and understood before making any investment decision. There are fees and charges involved in investing in the funds. We suggest that you consider these fees and charges carefully prior to making an investment. Unit prices and income distributions, if any, may fall or rise. Past performance is not reflective of future performance and income distributions are not guaranteed. You are also advised to read and understand the contents of the Financing for Investment in Unit Trust Risk Disclosure Statement/Unit Trust Loan Financing Risk Disclosure Statement before deciding to borrow to purchase units. Where a unit split/distribution is declared, you are advised that following the issue of additional units/distribution, the NAV per unit will be reduced from pre-unit split NAV/cum-distribution NAV to post-unit split NAV/ex-distribution NAV; and where a unit split is declared, the value of your investment in Malaysian ringgit will remain unchanged after the distribution of the additional units.

Carefully consider a fund's objective, risks, charges and expenses. Visit www.principal.com.my for a prospectus containing this and other information. Please read it carefully before investing.
