Disclaimer: We recommend that you read and understand the contents of the CIMB FTSE China 50 Prospectus dated 9 June 2010, First Supplemental Prospectus dated 16 December 2010 and Second Supplemental Prospectus dated 22 September 2014 ("Prospectuses"), which have been duly registered with the Securities Commission Malaysia, before investing and that you keep the said Prospectuses for your records. Any issue of units to which the Prospectuses relate to will only be made upon receipt of the completed application form referred to in and accompanying the Prospectuses, subject to the terms and conditions therein. Investments in the CIMB FTSE China 50 are exposed to the following risks, which include returns not guaranteed, general market risk, inflation risk, loan financing risk, risk of non-compliance, manager's risk, market risk, passive investment, tracking error risk, creation and redemption through participating dealer only, no prior trading market in the units, minimum creation and redemption size, units may trade at prices other than at Net Asset Value ("NAV") of the Fund, lack of operational history, income distributions are contingent on dividends paid on Authorised Securities, concentration on a particular group of stocks, industry or group of industries, dependence on trading market for Index Securities, lack of discretion by Manager to adapt to market changes, trading in units on Bursa Malaysia Securities Berhad ("Bursa Securities") may be suspended, units may be de-listed from Bursa Securities, risks of investing in financial derivatives, registration or cross-listing of Fund in other markets, suspension of creations and redemptions, timing between pricing, issue and trading, foreign security risk, foreign exchange risk, market disruption events and settlement disruption events, errors or inaccuracies in the Benchmark Index, fluctuations in the Benchmark Index, changes in the composition of and weightings in the Benchmark Index, termination of license to use the Benchmark Index and compilation of the Benchmark Index. This Exchange-Traded Fund is managed by Principal Asset Management Berhad (formerly known as CIMB-Principal Asset Management Berhad). No representation or warranty is made nor there is acceptance of any responsibility or liability as to its accuracy, completeness or correctness. You can obtain copies of the Prospectuses from any of our participating dealer, placement agent or selling agent. There are fees and charges involved when investing in the Fund. We suggest that you consider these fees and charges carefully prior to making an investment. Unit prices and income distributions, if any, may fall or rise if there is any. Past performance is not reflective of future performance and income distributions are not guaranteed. You are also advised to read and understand the contents of the Unit Trust Loan Financing Risk Disclosure Statement before deciding to borrow to purchase units.
