We recommend that you read and understand the contents of the CIMB-Principal Global Dividend Maximiser Fund Information Memorandum dated 11 May 2015 and the First Supplemental Information Memorandum dated 30 November 2015, which have been deposited with Securities Commission Malaysia before investing and that you keep the said Information Memorandums for your record. Any issue of units to which the Information Memorandums relates will only be made upon receipt of the completed application form referred to and accompanying the Information Memorandums, subject to the terms and conditions therein. The principal risks are fund manager risk, legal and taxation risk, default risk and country risk. The specific risks of the Target Fund investment objective risk, regulatory risk, liquidity risk, financial derivative instrument risk, currency risk, counterparty risk, options risk, risk of investing in emerging markets and suspension or deferral risk. You can obtain a copy of the Information Memorandums from the head office of Principal Asset Management Berhad or from any of our approved distributors. We suggest that you consider these fees and charges carefully prior to making an investment. Unit prices and income distributions, if any, may fall or rise. Past performance is not reflective of future performance and income distributions are not guaranteed. Product Highlight Sheet ("PHS") is available and that investors have the right to request for a PHS; and the PHS and any other product disclosure document should be read and understood before making any investment decision. There are fees and charges involved in investing in the funds. We suggest that you consider these fees and charges carefully prior to making an investment. Unit prices and income distributions, if any, may fall or rise. Past performance is not reflective of future performance and income distributions are not guaranteed. You are also advised to read and understand the contents of the Financing for Investment in Unit Trust Risk Disclosure Statement/Unit Trust Loan Financing Risk Disclosure Statement before deciding to borrow to purchase units. All performance figures have been extracted from Lipper. Where a unit split/distribution is declared, investors are advised that following the issue of additional units/distribution, the NAV per unit will be reduced from pre-unit split NAV/cum-distribution NAV to post-unit split NAV/ex-distribution NAV; and where a unit split is declared, the value of your investment in Australian Dollar will remain unchanged after the distribution of the additional units.

Carefully consider a fund's objective, risks, charges and expenses.

Visit www.principal.com.my for a prospectus containing this and other information. Please read it carefully before investing.
