- (i) The determination of the NAV of the Shares of the Target Fund is suspended <sup>Note 1</sup>;
- (ii) The withdrawal request of the Target Fund is deferred <sup>Note 2</sup>; or
- (iii) There are any unforeseen circumstances that caused a delay in us receiving withdrawal proceeds, subject to concurrence from Trustee.

**THIS IS A FIRST SUPPLEMENTAL INFORMATION MEMORANDUM WHICH HAS TO BE READ IN CONJUNCTION WITH THE INFORMATION MEMORANDUM**

Should any of the above events occur, we may not be able to pay the withdrawal proceeds to you within seven (7) Business Days. However, we will pay the withdrawal proceeds to you within five (5) Business Days subsequent to the receipt of withdrawal proceeds from the Target Fund.

**Note 1:** *The determination of the NAV or deals in the Target Fund may be suspended during a period when trading on a relevant stock exchange is substantially restricted or when other specified circumstances exist which make it impracticable to dispose of or value any of the investments (as described in section “2.6 Suspensions and Deferrals”). No Share of the Target Fund may be issued, redeemed or switched during a period of suspension.*

**Note 2:** *The Company may limit the number of shares redeemed or switched on any valuation day to 10% of the total number of shares in issue of the Target Fund. In such event, the redemption may be deferred for a period not exceeding ten (10) Luxembourg Business Days. These instructions to redeem will be executed in priority to later instructions.*

We will pay the Refund Amount including the Application Fee (if any) to you in the currency of the respective Class within seven (7) Business Days from the date we receive the complete documentations. If there are unforeseen circumstances that caused a delay in receiving the cooling-off proceeds from the Target Fund, we will pay to you the Refund Amount within five (5) Business Days of the receipt of the Refund Amount from the Target Fund. Please note that the cooling-off right is only given to first time investor investing with us or our Distributors. Please also refer to the Annexure of the respective Class for further information.

- 5.7. The following paragraphs have been inserted immediately after the fourth paragraph under the section of “**Distribution Payment**” at page 26:

The Fund may distribute from realised income, realised capital gains, unrealised income, unrealised capital gains, capital or combination of any of the above. Distributions are at our discretion and are not guaranteed, and the making of any distribution does not imply that further distributions will be made and we reserve the right to vary the frequency and/or amount of distributions. Distribution out of capital is to allow the Fund the ability to distribute income according with the Fund’s defined frequency or to pursue the investment objective of the Fund. The effects of making distribution out of capital has a risk of eroding the capital of the Fund.

After taking into consideration the level of capital and performance of the Fund and subject to healthy cash flow of the Fund, any distribution out of capital we make, we will ensure that proper decisions can be made in reducing cost and to ensure stability and sustainability of distribution of income for the Fund without generating any additional risk to the Fund.

Distribution out of capital represent a return or withdrawal of part of the amount of your original investment and/or capital gains attributable to the original investment and will result in a reduction in the NAV per unit of the Classes and reduce the capital available for future investment and capital growth. Future capital growth may therefore be constrained and the value of future returns would be diminished.

**Note:** *Please note that for Class(es) that provide distribution, we have the right to make provisions for reserves in respect of distribution of the Class. If the income available is too small or insignificant, any distribution may not be of benefit to you as the total cost to be incurred in any such distribution may be higher than the amount for distribution. We have the discretion to decide on the amount to be distributed to you. We also have the discretion to make income distribution on an ad-hoc basis, taking into consideration the level of its realised income, realised gains and/or capital, as well as the performance of the Fund.*

Subject to the provision set out below, the Fund and/or any of the Class may be terminated or wound-up without the need to seek Unit holders' prior approval as proposed by us with the consent of the Trustee (whose consent shall not be unreasonably withheld) upon the occurrence of any of the following events, by giving not less than one (1) month's notice in writing to the Trustee and the Unit holders as hereinafter provided (i) if any new law shall be passed which renders it illegal or (ii) if in our reasonable opinion it is impracticable or inadvisable to continue the Fund, as the case may be. A Class of the Fund may be terminated by Unit holders if a Special Resolution is passed at a Unit holders' meeting of that Class to terminate or wind-up that Class provided always that such termination or winding-up of that Class does not materially prejudice the interest of any other Class in that Fund.

Cross trades will be reported to the person(s) or members of a committee undertaking the oversight function of the Fund to ensure compliance to the relevant regulatory requirements.

The Trustee has in place policies and procedures to deal with any conflict of interest situation, if any. The Trustee will not make improper use of its position as the owner of the Fund's assets to gain, directly or indirectly, any advantage or cause detriment to the interests of Unit holders. Any related party transaction is to be made on terms which are best available to the Fund and which are not less favourable to the Fund than an arms-length transaction between independent parties.

## THIS IS A FIRST SUPPLEMENTAL INFORMATION MEMORANDUM WHICH HAS TO BE READ IN CONJUNCTION WITH THE INFORMATION MEMORANDUM
