Investment Policy and Principal Investment Strategy

The Fund aims to invest at least three (3) Islamic CIS investing predominantly in Shariah-compliant equities and/or Sukuk. In line with its objective, the investment policy and strategy of the Fund is to maintain a balanced portfolio between Islamic CIS investing predominantly in Shariah-compliant equities and Islamic CIS investing predominantly in Sukuk.

As a balanced fund, the Fund will invest between 40% to 60% of its NAV in Islamic CIS investing predominantly in Shariah-compliant equities as well as between 40% to 60% of its NAV in Islamic CIS investing predominantly in Sukuk. The Islamic CIS investing predominantly in Sukuk will provide some capital stability to the Fund whilst the Islamic CIS investing predominantly in equity portion will provide the added return in a rising market. The Fund may also invest up to 5% of its NAV in Islamic liquid assets such as Islamic money market instruments and/or Islamic Deposits for liquidity purposes.

The allocation between the Islamic CIS is done through a combination of macroeconomic data, liquidity trends and the outlook to overweight or underweight a particular Islamic CIS. The Fund may invest in Islamic CIS that focus its investment in the Asia Pacific ex Japan region, i.e. companies that are domiciled in, listed in, and/or have operations or businesses that focus in the Asia Pacific ex Japan region, where the regulatory authority is an ordinary or associate member of the IOSCO which include but not limited to Australia, the People's Republic of China, Hong Kong SAR, India, Indonesia, South Korea, Malaysia, New Zealand, the Philippines, Singapore, Taiwan, Thailand and Sri Lanka.

The Fund is designed to focus in local investments under general market conditions. When deemed necessary, we may also invest in foreign market to exploit the investment opportunities.

We may take a temporary defensive position when we believe the markets or the economies are experiencing excessive volatility or when other adverse conditions may exist. In response to such adverse conditions, we may from time to time reduce its proportion of higher risk assets, such as Islamic CIS investing predominantly in Shariah-compliant equities and increase its asset allocation to lower risk assets, such as Islamic CIS investing predominantly in Sukuk and Islamic liquid assets, to safeguard the investment portfolio of the Fund.

Asset Allocation

- Between 40% to 60% of the Fund's NAV will be invested in Islamic CIS investing predominantly in Shariah-compliant equities;
- Between 40% to 60% of the Fund's NAV will be invested in Islamic CIS investing predominantly in Sukuk; and
- Up to 5% of the Fund's NAV may be invested in Islamic liquid assets such as Islamic money market instruments and/or Islamic Deposits.

1.2. PERMITTED INVESTMENTS

Rules on divestment of Shariah non-compliant securities

In the event of the following investment instances occur in the Fund, the rules below shall be executed by the Manager or its fund management delegate:

1. "Islamic CIS or instruments" which are subsequently considered as "Shariah non-compliant".

This refers to the CIS, money market instruments and/or Islamic Deposits which were earlier classified as Shariah-compliant but reclassified or deemed to be Shariah non-compliant as a result of a new or previously unknown fatwa/ruling and/or upon advice by the issuer's Shariah adviser and/or Shariah Adviser, the Manager or its fund management delegate would be required to sell the said CIS and/or money market instruments and/or to withdraw the said Islamic Deposits, as soon as practicable of having notice, knowledge or advice of the status of the same. Any profit received from the Islamic CIS, money market instruments and/or Islamic deposits prior to the occurrence of the aforesaid event shall be retained by the Fund. Any profit received subsequent to the occurrence of the aforesaid event shall be channeled to charitable bodies, as endorsed by the Shariah Adviser.

2. Shariah non-compliant CIS or instruments.

Cleansing process

Under Shariah, any income or distribution received by the Fund from investments in its portfolio which relates to income from Shariah non-compliant investments/placements as set out above, are considered impure income. This impure income is subject to purification process as advised by the Shariah Adviser, from time to time and without limitation, where the impure income will be distributed to charitable bodies as endorsed by the Shariah Adviser.

The Shariah Adviser will review the Fund on a quarterly basis to ensure the Fund's operating procedures and investments comply with the Shariah principles.

The investment portfolio of the Fund comprises CIS or instruments which have been classified as Shariah-compliant by the SAC of the SC and, where applicable the SAC of the BNM. For CIS or instruments not certified by the SAC of the SC and, where applicable the SAC of BNM, the status of the same will be determined in accordance to the ruling of the Shariah Adviser and Shariah Investment Guidelines.

1.6. FINANCING

The Fund may not obtain cash financing or borrow other assets in connection with its activities. However, the Fund may obtain cash financing for the purpose of meeting withdrawal requests for units and for short-term bridging requirements provided always that all the financing complied with the Shariah requirements.

1.7. SECURITIES LENDING

Not applicable for the Fund.

1.8. RISK FACTORS

1.8.1. GENERAL RISKS OF INVESTING IN A COLLECTIVE INVESTMENT SCHEME

Before investing, you should consider the following risk factors in addition to the other information set out in this Information Memorandum.

Returns not guaranteed

The investment of the fund is subject to market fluctuations and its inherent risk. There is **NO GUARANTEE** on the investment returns, nor any assurance that the fund's investment objective will be achieved.

General market environment risk

Market risk refers to the possibility that an investment will lose value because of a general decline in financial markets, due to economic, political and/or other factors, which will result in a decline in the fund's NAV.

Inflation risk

This is the risk that your investment in the wholesale fund may not grow or generate income at a rate that keeps pace with inflation. This would reduce your purchasing power even though the value of the investment in monetary terms has increased.

Manager's risk

This risk refers to the day-to-day management of the fund by the manager which will impact the performance of the fund. For example, investment decisions undertaken by the manager, as a result of an incorrect view of the market or any non-compliance with internal policies, investment mandate, the deed, relevant law or guidelines due to factors such as human error or weaknesses in operational process and systems, may adversely affect the performance of the fund.

Financing risk

This risk occurs when you obtain financing to finance your investment. The inherent risk of investing with money obtained from financing includes you being unable to service the financing payments. In the event units are used as collateral, you may be required to top-up your existing instalment if the price of units fall below a certain level due to market conditions. Failing which, the units may be sold at a lower NAV per unit as compared to the NAV per unit at the point of purchase towards settling the financing.

Reclassification of Shariah status risk

This risk refers to the risk that the currently held Shariah-compliant securities in the fund may be reclassified as Shariah non-compliant in the periodic review of the securities by the SAC of the SC, Shariah Adviser of the issuer, the Shariah Adviser or the Shariah boards of the relevant Islamic indices. If this occurs, we will take the necessary steps to dispose such securities. There may be opportunity loss to the fund due to the fund not being allowed to retain the excess gains derived from the disposal of the Shariah non-compliant securities. In the event that the Shariah non-compliant securities are disposed at a price lower than the investment cost, it may adversely affect the value of the fund. Thus, it may cause the NAV of the fund or price of units to fall.

1.8.2. SPECIFIC RISKS RELATED TO THE FUND

There are specific risks associated with the investment portfolio of the Fund, which include but are not limited, to the following:

Risk associated with investing in Islamic CIS

Since the Fund will invest entirely into Islamic CIS, there is a risk of concentration into Islamic CIS, in which the Islamic CIS's management company has absolute discretion over the Islamic CIS's investment technique and knowledge, operational controls and management. In the event of mismanagement of the Islamic CIS and/or the management company, the NAV of

the Fund, which invests into those Islamic CIS would be affected negatively. Should the situation arise, we will seek for another Islamic CIS that is consistent with the objective of this Fund.

Country risk

The Fund may invest into Islamic CIS which can be domiciled in various countries. Therefore, the Fund will be subjected to risks specific to the countries in which the Islamic CIS are domiciled in. Such risks include adverse changes in economic fundamentals, social and political stability, laws and regulations and foreign investments policies. These factors may be an adverse impact on the price of the Islamic CIS, which will depress the Islamic CIS' NAV growth, and consequently depress the Fund's NAV growth.

Currency risk

As the Fund may invest into Islamic CIS denominated in currencies other than MYR, any fluctuation in the exchange rate between MYR and the currencies in which the Islamic CIS are denominated may have an impact on the value of these investments. You should be aware that if the currencies in which the Islamic CIS are denominated depreciate against MYR, this will have an adverse effect on the NAV of the Fund in MYR and vice versa. You should note that any gains or losses arising from the fluctuation in the exchange rate may further increase or decrease the returns of the investment.

The above summary of risks does not purport to be an exhaustive list of all the risk factors relating to investments in the Fund and are not set out in any particular order of priority. You should be aware that an investment in a Wholesale Fund may be exposed to other risks from time to time. If in doubt, please consult your professional advisers for a better understanding of the risks.

2.2.1. Management Fee

The annual Management Fee for the Fund is up to 1.50% per annum of the Fund's NAV. The Management Fee shall be accrued daily based on the NAV of the Fund and paid monthly.

Below is an illustration on how the Management Fee is calculated:

Management Fee for the day = NAV of the Fund x Management Fee rate for the Fund (%) / 365 days

If the NAV of the Fund is RM10 million, then

*Management Fee for the day = RM10 million x 1.50% / 365
= RM 410.96*

Note: *In the event of a leap year, the computation will be based on 366 calendar days.*

2.2.2. Trustee Fee

The Trustee is entitled to a fee of up to 0.035% per annum of the Fund's NAV. The Trustee Fee shall be accrued daily based on the NAV of the Fund and be paid monthly.

Below is an illustration on how the Trustee Fee is calculated:

*Trustee Fee for the day = RM10 million x 0.035% / 365 days
= RM 9.59*

Note: *In the event of a leap year, the computation will be based on 366 calendar days.*

2.2.3. Other expenses

The Deed also provides for payment of other expenses. The major expenses recoverable directly from the Fund include:

- expenses incurred in the transaction costs of placement in Islamic Deposits;

- any other fees/expenses permitted in the Deed.

Expenses not authorised by the Deed must be paid by us or the Trustee out of our own funds if incurred for our own benefit.

2.2.4 The Trustee and us are required to ensure that any fees or charges payable are reasonable and in accordance with the Deed which stipulates the maximum rate in percentage terms that can be charged. Should the Fund invest into units

of other CIS that are managed by us or our related corporation, we will ensure that all initial charges are waived and there is no double charging of management fees.

You should note that we may alter the fees and charges (other than the Trustee Fee) within such limits, and subject to such provisions, as set out in the Deed and the SC Guidelines.

You should note that we may, for any reason at any time, where applicable, waive or reduce the amount of any fees (except the Trustee Fee) or other charges payable by you in respect of the Fund, either generally (for all Sophisticated Investors) or specifically (for any particular Sophisticated Investor, a group of Sophisticated Investors or investments made via any digital platform) and for any period or periods of time at our absolute discretion.

2.3. REBATES AND SOFT COMMISSIONS

The Trustee and us will not retain any form of rebate or soft commission from, or otherwise share in any commission with, any broker in consideration for directing dealings in the investments of the Fund unless the soft commission received is retained in the form of goods and services such as research and advisory services that assist in the decision making process relating to the Fund's investments. All dealings with brokers are executed on most favourable terms available for the Fund. Any rebates will be directed to the account of the Fund.

There are fees and charges involved and investors are advised to consider them before investing in the Fund.

All fees and charges payable by you and/or the Fund are subject to any applicable taxes and/or duties as may be imposed by the government or other authorities (if any) from time to time. As a result of changes in any rule, regulation, directive, notice and/or law issued by the government or relevant authority, there may be additional cost to the fees, expenses, charges and/or taxes payable to and/or by the Fund or you as disclosed or illustrated in the Information Memorandum.

We have the discretion to amend the amount, rate and/or terms and conditions for the above-mentioned fees, charges and expenses from time to time, subject to the requirements stipulated in the Deed. Where necessary, we will notify the Trustee and communicate to you or seek your approval on the amendments to the fees and charges.

3. TRANSACTION INFORMATION

3.1. VALUATION OF INVESTMENTS PERMITTED BY THE FUND

We will carry out the valuation of the Fund in a fair manner. The valuation bases for the investments permitted by the Fund are as below:

- **Islamic collective investment schemes**
The value of any investment in Islamic CIS which are quoted on an approved exchange shall be calculated daily by reference to the last transacted price on that approved exchange. If the last transacted price does not represent the fair value of the Shariah-compliant securities, then the Shariah-compliant securities should be valued at fair price as determined in good faith by us, based on the methods or bases approved by the Trustee after appropriate technical consultation, such as the mean of bid and offer prices at the close of trading. Suspended Shariah-compliant securities will be valued at their last done price unless there is conclusive evidence to show that the value has gone below the suspended price or where the quotation of the securities has been suspended for a period exceeding fourteen (14) days or such shorter period as agreed by the Trustee, whereupon their fair value will be determined in good faith by us based on the methods or bases, which have been verified by the auditor of the Fund and approved by the Trustee. When investing in unlisted Islamic CIS, the value shall be determined daily by reference to the last published repurchase/redemption price for that Islamic CIS.
- **Islamic money market instruments**
Valuation of Islamic money market instruments such as negotiable instrument of deposits and commercial papers shall be valued by reference to the quotes provided by independent and reputable pricing source(s), which is deemed fair value. Where the quotes are provided by financial institutions, the valuation of the money market instruments will be based on the average of bid and offer prices quoted by three (3) independent and reputable financial institutions of similar standing at the close of trading. The valuation method is verified by the auditor and approved by the Trustee.
- **Islamic Deposits**
The value of Islamic Deposits shall be determined each day by reference to the principal value of such permitted investment and the accrued income thereon for the relevant period.

3.2. UNIT PRICING

We adopt a single pricing method for any transactions (i.e. applications, withdrawals, switches and/or transfers) based on forward prices. This means that we will process your transactions request based on the NAV per unit at the next valuation point after we receive the completed relevant transaction forms from you.

If the transactions are made by 4:00 p.m. on a Business Day, we will process the transactions using the NAV per unit for that Business Day. For transactions made after 4:00 p.m. on a Business Day, we will process the transactions using the NAV per unit on the next Business Day.

We will carry out the valuation for a Business Day on the next Business Day (T+1) by 4:00 p.m. This is to cater for the currency translation of the foreign securities or instruments to the Fund's base currency based on the bid exchange rate quoted by Bloomberg or Reuters at UK time 4:00 p.m. on the same day (Malaysian time 11:00 p.m. or 12:00 a.m.), or such other time as stipulated in the IMS. The NAV per unit for a Business Day is available on our website at <http://www.principal.com.my> after 5:30 p.m. on the following Business Day (T+1).

Illustration:

For transaction request received by us by 4:00 p.m. on a Business Day

At the end of the Business Day on 3 June 2019, your units will be based on the NAV per unit on 3 June 2019, which will be calculated on the next Business Day, that is, 4 June 2019. The NAV per unit will be made known on our website after 5:30 p.m. on 4 June 2019.

For transaction request received by us after 4:00 p.m. on a Business Day

At the end of the Business Day on 3 June 2019, your units will be based on the NAV per unit on 4 June 2019, which will be calculated two (2) days later, that is, 5 June 2019. The NAV per unit will be made known on our website after 5:30 p.m. on 5 June 2019.

The Fund must be valued at least once every Business Day except during the initial offer period.

The method of determining NAV per Unit is calculated as follows:

$$\text{NAV per Unit} = \frac{\text{NAV}}{\text{Number of units in issue}}$$

The NAV of the Fund is the sum of the value of all investments and cash held by the Fund (calculated in accordance with the Deeds) including income derived by the Fund which has not been distributed to you, less all amounts owing or payable in respect of the Fund including any provisions that we and the Trustee consider should be made. For example, a provision may be made for possible future losses on an investment which cannot be fairly determined.

3.3. INCORRECT PRICING

We shall take immediate remedial action to rectify any incorrect valuation and/or pricing of the Fund or units of the Fund. Where such error has occurred, we shall reimburse the money in the following manner:

- a) in the event of over valuation and/or pricing, we shall reimburse:
 - i. the Fund for any withdrawal of units; and/or

3.8. COOLING-OFF PERIOD

You have six (6) Business Days after your initial investment (i.e. the date the complete application is received and accepted by us) to reconsider the appropriateness and suitability for your investment needs. Within this period, you may withdraw your investment at the same NAV per unit when the units were purchased. However, Principal Malaysia's staff and person(s) registered to deal in unit trust of Principal Malaysia are not entitled to the cooling-off right.

3.9. SWITCHING

You have the option to switch into any of Principal Malaysia's funds that allow switching of units. The switching is based on the value of your investments in the Fund, at the point of exercising the switch.

Switching will be conducted based on the value of your investment in the Fund. The minimum amount for a switch is subject to:

If we receive the request after 4:00 p.m. on a Business Day, we will process the switch-out using the NAV per unit for the next Business Day.

3.11. TEMPORARY SUSPENSION

We and the Trustee may temporarily suspend the dealing in units of the Fund, subject to the SC Guidelines and/or the Deed. Please note that during the suspension period, there will be no NAV per unit available and hence, we will not accept any transactions for the applications, withdrawals, switches and/or transfers of units. If we have earlier accepted your request for withdrawals and switches of units, please note that there may be delay in processing those transactions and you will be notified accordingly. You will also be notified once the suspension is lifted.

3.12. DISTRIBUTION PAYMENT

Distribution (if any) will be made at the end of each distribution period according to the distribution policy. Each unit of the Fund will receive the same distribution for a distribution period regardless of when those units were purchased. The distribution amount you will receive is calculated by multiplying the total number of units held by you in the Fund with the distribution amount in cent per unit. On the distribution date, the NAV per unit will adjust accordingly. For more information on the distribution policy of the Fund, please see the "Fund Information" chapter.

All distributions (if any) will be automatically reinvested into additional units in the Fund at the NAV per unit on the distribution date (the number of units is rounded down to two (2) decimal places), unless written instructions to the contrary are communicated to us, in which you should have first furnished us with details of your bank account, that all distribution payment shall be paid into (the cost and expense will be borne by you). There will be no Application Fee for the reinvestment.

If units are issued as a result of the reinvestment of a distribution or other circumstance after you have withdrawn your investment from the Fund, those additional units will then be withdrawn and the proceeds will be paid to you. You should note that distribution payments, if any, will be paid into your bank account in our records (at your cost and expense).

Note: Please note that we have the right to make provisions for reserves in respect of distribution of the Fund. If the income available is too small or insignificant, any distribution may not be of benefit to you as the total cost to be incurred in any such distribution may be higher than the amount for distribution. We have the discretion to decide on the amount to be distributed to you. We also have the discretion to make income distribution on an ad-hoc basis, taking into consideration the level of its realised income and/or realised gains, as well as the performance of the Fund.

3.13. UNCLAIMED MONEYS

Any moneys payable to you which remain unclaimed after twelve (12) months as prescribed by Unclaimed Moneys Act 1965 ("UMA") will be surrendered to the Registrar of Unclaimed Moneys by us in accordance with the requirements of the UMA. Thereafter, all claims need to be made by you with the Registrar of Unclaimed Moneys.

However, for income distribution payout to you by cheque, if any, which remains unclaimed for six (6) months will be reinvested into the Fund within thirty (30) business days after the expiry of the cheque's validity period based on the prevailing NAV per unit on the day of the reinvestment provided that you still hold units of the Fund. As for income distribution payout by bank transfer, if any, shall be transmitted to your valid and active bank account. If the bank transfer remained unsuccessful and unclaimed for six (6) months, it will be reinvested into the Fund within thirty (30) business days after the six (6) months period based on the prevailing NAV per unit on the day of the reinvestment provided that you still hold units of the Fund. No Application Fee is payable for the reinvestment. In the event that you no longer hold any unit in the Fund, the distribution money would be subject to the treatment mentioned in the above paragraph as prescribed by the UMA.

Unit prices and distributions payable, if any, may go down as well as up.

We have the discretion to amend the amount, rate and/or terms and conditions of the transaction information herein, subject to the requirements stipulated in the Deed. Where necessary, we will notify the Trustee and communicate to you on the amendments to the transaction information.
