We recommend that you read and understand the contents of the Information Memorandum for the Principal Islamic Malaysia Government Sukuk Fund dated 21 June 2021 which has been deposited with Securities Commission Malaysia before investing and that you keep the said Information Memorandums for your record. Any issue of units to which the Information Memorandums relates will only be made upon receipt of the completed application form referred to in and accompanying the Information Memorandums, subject to the terms and conditions therein. The general risks are returns not guaranteed, market risk, inflation risk, manager risk, financing risk and Shariah non-compliance risk. The specific risks of the fund are interest rate risk, and credit and default risk. You can obtain a copy of the Information Memorandums from the head office of Principal Asset Management Berhad or from any of our approved distributors. Product Highlight Sheet ("PHS") is available and that investors have the right to request for a PHS; and the PHS and any other product disclosure document should be read and understood before making any investment decision. There are fees and charges involved in investing in the funds. We suggest that you consider these fees and charges carefully prior to making an investment. Unit prices and income distributions, if any, may fall or rise. Past performance is not reflective of future performance and income distributions are not guaranteed. You are also advised to read and understand the contents of the Financing for Investment in Unit Trust Risk Disclosure Statement/Unit Trust Loan Financing Risk Disclosure Statement before deciding to obtain financing to purchase units. All performance figures have been extracted from Lipper.

Carefully consider a fund's objective, risks, charges and expenses.
Visit www.principal.com.my for a prospectus containing this and other information. Please read it carefully before investing.
