The contents in this printed material is intended for your general information only and must not be construed as an offer or a recommendation to invest in our Funds and neither does it take into account any investor's particular circumstances. Principal Islamic PRS Plus Fourth Replacement Disclosure Document dated 23 September 2022 (known as "Disclosure Document") have been duly registered with the Securities Commission Malaysia ("SC"). We recommend that you read and understand the contents of the Disclosure Document before contributing and that you keep the said Disclosure Document for your records. Any issue of units to which the Disclosure Document relate will only be made upon receipt of the completed application form referred to in and accompanying the Disclosure Document, subject to the terms and conditions therein. You can obtain a copy of the Disclosure Documents from the head office of Principal Asset Management Berhad or from any of our approved distributors. There are fees and charges involved in contributing in the private retirement scheme. We suggest that you consider these fees and charges carefully prior to making a contribution. Unit prices and income distributions, if any, may fall or rise. Past performance is not reflective of future performance and income distributions are not guaranteed. Investments in Principal Islamic PRS Plus Moderate are exposed to stock specific risk, credit and default risk, interest rate risk, country risk, currency risk, risks associated with investment in Shariah-compliant warrants/Islamic options, risks associated with investment in Islamic CIS and Shariah non-compliance risk. The name "PRS Plus" is the name of the private retirement scheme solution by the PRS Provider. It does not in any way connote or warrant that this Scheme will necessarily outperform other private retirement schemes or has additional features that may be lacking in other private retirement scheme solutions. Product Highlight Sheet ("PHS") is available and that investors have the right to request for a PHS; and the PHS and any other product Disclosure Documents should be read and understood before making any investment decision. \* Please note that although Sukuk is a non-interest bearing instrument, its price movement is correlated to the movement in the interest rates. As such, investment in Sukuk will have an exposure to interest rates. Even though the Fund does not invest in interest bearing instruments, the interest rate referred herein is to the general interest rate of the country which may affect the value of the investment of the Fund. Note: The risk profile of the Fund is not the same as the risk profile of the benchmark.

Carefully consider a fund's objective, risks, charges and expenses.
