MARKET REVIEW (23 SEPTEMBER 2022 (DATE OF LAUNCH) TO 31 JANUARY 2024)

Throughout this timeframe, there has been a discernible trend favouring risk assets across various global markets. This sustained period has witnessed a prevailing sentiment among investors, where they have shown a greater propensity to allocate capital towards riskier assets, despite associated volatility. Periods of market turbulence due to concerns about economic growth and inflation have occurred, but overall, investors optimism has been increasing due to favourable economic indicators and decreasing inflationary pressures. Despite both asset classes performing, developed markets have consistently outpaced emerging markets during these intervals.

The Fund was fully invested during the financial period under review. A minimal level of liquid assets was maintained primarily for redemption purposes.

MARKET OUTLOOK*

Global economic growth has proven to be resilient for the year of 2023 despite multiple headwinds. Growth might start to cool off gradually as global monetary tightening is taking its toll. Global disinflation continues as price pressures have eased significantly, largely due to progressively improvement in supply chains. Most central banks are on a more dovish stance and starting to show signs on easing interest rates in 2024. Rate cuts could come later than markets are anticipating, which could result in volatility in equity markets in the first half of 2024.

* This market outlook does not constitute an offer, invitation, commitment or recommendation to make a purchase of any investment. The information given in this article represents the views of Principal Asset Management Berhad ("Principal Malaysia") or based on data obtained from sources believed to be reliable by Principal Malaysia. Whilst every care has been taken in preparing this, Principal Malaysia makes no guarantee, representation or warranty and is under no circumstances liable for any loss or damage caused by reliance on, any opinion, advice or statement made in this market outlook.

INVESTMENT STRATEGY

The Fund will continue to remain fully invested primarily in a diversified portfolio of income generating assets with minimal cash kept for liquidity purposes.

SOFT COMMISSIONS AND REBATES

Principal Asset Management Berhad (the "PRS Provider"), the Sub-Manager and the Trustee will not retain any form of rebate from, or otherwise share in any commission with, any broker or dealer in consideration for directing dealings in the investments of the Fund. Accordingly, any rebate or shared commission will be directed to the account of the Principal Malaysia Funds ("Funds"). The PRS Provider may retain goods and services (soft commission) provided by any broker or dealer if the following conditions are met:

- (a) the soft commission brings direct benefit or advantage to the management of the Fund and may include research and advisory related services;
- (b) any dealings with the broker or dealer is executed on terms which are the most favourable for the Fund; and
- (c) the availability of soft commission is not the sole or primary purpose to perform or arrange transactions with such broker or dealer, and we will not enter into unnecessary trades in order to achieve a sufficient volume of transactions to qualify for soft commission.

During the financial period under review, the PRS Provider, the Sub-Manager and Trustee did not receive any rebates from the brokers or dealers, but the PRS Provider has retained soft commission in the form of goods and services such as financial wire services and stock quotations system incidental to investment management of the Funds. The PRS Provider confirms that the goods and services received were for the benefit of the Fund, the trades were made on a best execution basis and there was no churning of trades.

SECURITIES FINANCING TRANSACTIONS

The Fund has not undertaken any securities lending or repurchase transactions during the financial period under review.

STATE OF AFFAIR OF THE FUND

We have issued the First Supplemental Disclosure Document dated 30 August 2023 for Principal PRS Plus. We are of view that the changes above do not affect the existing unit holder to stay invested in the Fund and it is not a significant change.

There were no significant changes in the state of affairs of the Fund during the financial period and up to the date of PRS Provider's report, not otherwise disclosed in the financial statements.

CIRCUMSTANCES THAT MATERIALLY AFFECT ANY INTEREST OF MEMBERS

There were no circumstances that had materially affected the interest of the members during the financial period under review.

CROSS TRADE

No cross-trade transactions have been carried out during the financial period under review.

UNIT SPLIT

No unit split exercise has been carried out during the financial period under review.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
PRINCIPAL RETIREEASY 2060****Report on the audit of the financial statements***Opinion*

We have audited the financial statements of Principal RetireEasy 2060 (the "Fund"), which comprise the statement of financial position of the Fund as at 31 January 2024, and statement of comprehensive income, statement of changes in net assets attributable to members and statement of cash flows of the Fund for the financial period from 23 September 2022 (date of launch) to 31 January 2024, and notes to the financial statements, including material accounting policy information, as set out on pages 7 to 24.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at 31 January 2024, and of its financial performance and cash flows for the financial period from 23 September 2022 (date of launch) to 31 January 2024 then ended in accordance with Malaysian Financial Reporting Standards and International Financial Reporting Standards.

Basis for opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the financial statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence and other ethical responsibilities

We are independent of the Fund in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
PRINCIPAL RETIREEASY 2060 (cont'd.)**

Report on the audit of the financial statements (cont'd.)

Information other than the financial statements and auditors' report thereon

The PRS Provider of the Fund (the "PRS Provider") is responsible for the other information. The other information comprises the information included in the annual report of the Fund but does not include the financial statements of the Fund and our auditors' report thereon.

Our opinion on the financial statements of the Fund does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Fund, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Fund, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the PRS Provider and the Trustee for the financial statements

The PRS Provider is responsible for the preparation of financial statements of the Fund that give a true and fair view in accordance with Malaysian Financial Reporting Standards and International Financial Reporting Standards. The PRS Provider is also responsible for such internal control as the PRS Provider determines is necessary to enable the preparation of financial statements of the Fund that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Fund, the PRS Provider is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the PRS Provider either intends to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

The Trustee is responsible for overseeing the Fund's financial reporting process. The Trustee is also responsible for ensuring that the PRS Provider maintains proper accounting and other records as are necessary to enable true and fair presentation of these financial statements.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
PRINCIPAL RETIREEASY 2060 (cont'd.)****Report on the audit of the financial statements (cont'd.)***Auditors' responsibilities for the audit of the financial statements*

Our objectives are to obtain reasonable assurance about whether the financial statements of the Fund as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Fund, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the PRS Provider.
- Conclude on the appropriateness of the PRS Provider's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Fund or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements of the Fund, including the disclosures, and whether the financial statements of the Fund represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the PRS Provider regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE FINANCIAL PERIOD FROM 23 SEPTEMBER 2022 (DATE OF LAUNCH) TO 31 JANUARY
2024**

1. THE FUND, THE PRS PROVIDER AND ITS PRINCIPAL ACTIVITIES

Principal RetireEasy 2060 (the “Fund”) is governed by a Deed dated 8 November 2012, a First Supplemental Deed dated 2 January 2014, a Second Supplemental Deed dated 25 November 2014, a Third Supplemental Deed dated 3 February 2020, a Fourth Supplemental Deed dated 17 December 2021, a Fifth Supplement Deed dated 12 July 2022 and a Sixth Supplemental Deed dated 14 June 2023 (collectively referred to as the “Deed”), made between Principal Asset Management Berhad (the “PRS Provider”) and Deutsche Trustees Malaysia Berhad (the “Trustee”).

The Fund offers three classes of units known respectively as Class A, Class C and Class X. In accordance with the Disclosure Document, subject to the PRS Provider’s absolute discretion, Class A and Class C are for an individual who has attained the age 18 years as of the date of opening a private pension account while Class X is for Member who participates via his/her employer. Class A and Class C have different Sales Charge and Management Fee while Class X has no Sales Charge.

The Fund seeks to provide sustainable positive total return and to grow the total investment over the long term with retirement as the ultimate goal.

Up to 100% of the Fund’s NAV may be invested in CIS (including ETF) and REITs), equities, debt securities, money market instruments and/or Deposits. Notwithstanding,

- up to 40% of the Fund’s NAV may be invested in Unrated Debt Securities; and
- up to 10% of the Fund’s NAV may be invested in unlisted securities.

All investments are subjected to the SC Guidelines on PRS, SC requirements, the Deeds, except where exemptions or variations have been approved by the SC, internal policies and procedures and the Fund’s objective.

The Fund had issued the First Supplemental Disclosure Document dated 30 August 2023.

The PRS Provider, is a joint venture between Principal Financial Group®, a member of the FORTUNE 500® and a Nasdaq-listed global financial services and CIMB Group Holdings Berhad, one of Southeast Asia’s leading universal banking groups. The principal activities of the PRS Provider are the establishment and management of unit trust funds and fund management activities.

2. MATERIAL ACCOUNTING POLICIES

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the financial statements:

(a) Basis of preparation

The financial statements have been prepared in accordance with the provisions of the MFRS as issued by the Malaysian Accounting Standards Board (“MASB”) and IFRS as issued by the International Accounting Standards Board (“IASB”). The financial statements have been prepared under the historical cost convention, as modified by financial assets at fair value through profit or loss. The preparation of financial statements in conformity with MFRS and IFRS requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period.

2. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(a) Basis of preparation (continued)

It also requires the PRS Provider to exercise their judgement in the process of applying the Fund's accounting policies. Although these estimates and assumptions are based on the PRS Provider's best knowledge of current events and actions, actual results may differ.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 2(i).

None of the standards, amendments to standards or interpretations that are effective for the financial period beginning on/after 1 February 2024 are applicable to the Fund.

(b) Financial assets and financial liabilities

Classification

The Fund classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value through profit or loss, and
- those to be measured at amortised cost.

The Fund classifies its investments based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed, and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions. The Fund has not taken the option to irrevocably designate any equity securities as fair value through other comprehensive income ("OCI").

Investment in collective investment scheme is debt instrument with contractual cash flow that do not represent solely payment of principal and interest ("SPPI") and therefore is classified as fair value through profit or loss.

The Fund classifies cash and cash equivalents, amount due from the PRS Provider - creation of units, amount due from the PRS Provider - management fee rebates as financial assets at amortised cost as these financial assets are held to collect contractual cash flows consisting of the amount outstanding.

All of the Fund's financial liabilities are measured at amortised cost.

Recognition and measurement

Regular purchases and sales of financial assets are recognised on the trade-date, the date on which the Fund commits to purchase or sell the asset. Investments are initially recognised at fair value.

Financial instruments are recognised in the statement of financial position when, and only when, the Fund becomes a party to the contractual provisions of the financial instrument.

Financial assets are derecognised when the rights to receive cash flows from the investments have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

2. MATERIAL ACCOUNTING POLICIES (CONTINUED)**(b) Financial assets and financial liabilities (continued)**Recognition and measurement (continued)

Financial liabilities are derecognised when it is extinguished, i.e. when the obligation specified in the contract is discharged or cancelled or expired.

Unrealised gains or losses arising from changes in the fair value of the financial assets at fair value through profit or loss are presented in the statement of comprehensive income within net gain or loss on financial assets at fair value through profit or loss in the financial period which they arise.

Dividend income from financial assets at fair value through profit or loss is recognised in the statement of comprehensive income as part of gross dividend income when the Fund's right to receive payments is established.

Collective investment scheme is valued based on the most recent published NAV per unit or share of such collective investment scheme or, if unavailable, on the last published price of such unit or share (excluding any sales charge included in such selling price).

Financial assets at amortised cost and other financial liabilities are subsequently carried at amortised cost using the effective interest method.

Impairment for assets carried at amortised costs

The Fund measures credit risk and expected credit loss ("ECL") using probability of default, exposure at default and loss given default. The PRS Provider considers both historical analysis and forward-looking information in determining any ECL. The PRS Provider considers the probability of default to be close to zero as these instruments have a low risk of default and the counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognised based on 12-month ECL as any such impairment would be wholly insignificant to the Fund.

Significant increase in credit risk

A significant increase in credit risk is defined by the PRS Provider as any contractual payment which is more than 30 days past due.

Definition of default and credit-impaired financial assets

Any contractual payment which is more than 90 days past due is considered credit impaired.

Write-off

The Fund writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. The assessment of no reasonable expectation of recovery is based on unavailability of debtor's sources of income or assets to generate sufficient future cash flows to repay the amount. The Fund may write-off financial assets that are still subject to enforcement activity. Subsequent recoveries of amounts previously written off will result in impairment gains. There are no write-offs/recoveries during the financial period.

2. MATERIAL ACCOUNTING POLICIES (CONTINUED)**(c) Income recognition**

Dividend income is recognised on the ex-dividend date when the right to receive payment is established.

Realised gain or loss on disposal of collective investment scheme is accounted for as the difference between the net disposal proceeds and the carrying amount of collective investment scheme, determined on a weighted average cost basis.

(d) Functional and presentation currency

Items included in the financial statements of the Fund are measured using the currency of the primary economic environment in which the Fund operates (the “functional currency”). The financial statements are presented in Malaysian Ringgit (“MYR” or “RM”), which is the Fund’s functional and presentation currency.

(e) Members’ contributions

The members’ contributions to the Fund meet the definition of puttable instruments classified as financial liability under MFRS 132 “Financial Instruments: Presentation”.

The Fund issues cancellable units, in three classes of units, known respectively as the Class A, Class C and Class X, which are cancelled at the member’s option and do not have identical features subject to restrictions as stipulated in the Disclosure Document and SC Guidelines on PRS. The units are classified as financial liabilities. Cancellable units can be reinvested to the Fund at any time for cash equal to a proportionate share of the Fund’s NAV of respective classes. The outstanding units are carried at the redemption amount that is payable at the date of statement of financial position if the member exercises the right to reinvest the unit to the Fund.

Units are created and cancelled at the member’s option at prices based on the Fund’s NAV per unit of respective classes at the close of business on the relevant dealing day. The Fund’s NAV per unit of respective classes is calculated by dividing the net assets attributable to members of respective classes with the total number of outstanding units of respective classes.

(f) Cash and cash equivalents

For the purpose of statement of cash flows, cash and cash equivalents comprise bank balance which are subject to an insignificant risk of changes in value.

(g) Taxation

Current tax expense is determined according to Malaysian tax laws at the current rate based upon the taxable profit earned during the financial period.

(h) Realised and unrealised portions of profit or loss after taxation

The analysis of realised and unrealised profit/loss after taxation as presented on the statement of comprehensive income is prepared in accordance with SC Guidelines on PRS.

2. MATERIAL ACCOUNTING POLICIES (CONTINUED)

(i) Critical accounting estimates and judgements in applying accounting policies

The Fund makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, rarely equal the related actual results. To enhance the information content of the estimates, certain key variables that are anticipated to have material impact to the Fund's results and financial position are tested for sensitivity to changes in the underlying parameters.

Estimates and judgement are continually evaluated by the PRS Provider and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

In undertaking any of the Fund's investment, the PRS Provider will ensure that all assets of the Fund under management will be valued appropriately, that is at fair value and in compliance with the SC Guidelines on PRS.

However, the PRS Provider is of the opinion that there are no accounting policies which require significant judgement to be exercised.

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES

Financial instruments of the Fund are as follows:

	Financial assets at fair value through profit or loss RM	Financial assets amortised at cost RM	Total RM
31.01.2024			
Cash and cash equivalents (Note 8)	-	57,531	57,531
Collective investment scheme (Note 7)	4,388,595	-	4,388,595
Amount due from the PRS Provider			
- creation of units	-	54,162	54,162
- management fee rebates	-	11,980	11,980
	<u>4,388,595</u>	<u>123,673</u>	<u>4,512,268</u>

All liabilities are financial liabilities which are carried at amortised cost.

The investment objective of the Fund is to provide positive total return by investing according to an asset allocation strategy.

The Fund is exposed to a variety of risks which include market risk (inclusive of price risk), credit risk and liquidity risk.

Financial risk management is carried out through internal control process adopted by the PRS Provider and adherence to the investment restrictions as stipulated in the Deeds and SC Guidelines on PRS.

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(a) Market risk

(i) Price risk

This is the risk that the fair value of the Fund's investment will fluctuate because of changes in market prices. The value of investment may fluctuate according to the activities of individual companies, sector and overall political and economic conditions. Such fluctuation may cause the Fund's NAV and prices of units to fall as well as rise, and income produced by the Fund may also fluctuate.

The price risk is managed through diversification and selection of collective investment scheme and other financial instruments within specified limits according to the Deeds.

The Fund's overall exposure to price risk is as follows:

	31.01.2024
	RM
Financial assets at fair value through profit or loss:	
- Collective investment scheme	4,388,595

The table below summarises the sensitivity of the Fund's profit or loss and NAV to movements in prices of Collective investment scheme at the end of each reporting period. The analysis is based on the assumptions that the price of the Collective investment scheme fluctuates by 5% with all other variables held constant. This represents the PRS Provider's best estimate of a reasonable possible shift in the Collective investment scheme, having regard to the historical volatility of the prices.

% Change in price of Collective investment scheme	Market value RM	Impact on profit or loss/NAV RM
31.01.2024		
-5%	4,169,165	(219,430)
0%	4,388,595	-
+5%	4,608,025	219,430

(b) Credit risk

Credit risk refers to the risk that a counter party will default on its contractual obligation resulting in financial loss to the Fund.

The credit risk arising from cash and cash equivalents is managed by ensuring that the Fund will only place deposits in reputable licensed financial institutions.

For amount due from the PRS Provider, the settlement terms of the proceeds from the creation of units receivable from the PRS Provider are governed by the SC Guidelines on PRS.

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(b) Credit risk (continued)

The following table sets out the credit risk concentration of the Fund:

	Cash and cash equivalents RM	Amount due from the PRS Provider - creation of units RM	Amount due from the PRS Provider - management fee rebates RM	Total RM
31.01.2024				
- AAA	57,531	-	-	57,531
- Not Rated	-	54,162	11,980	66,142
	<u>57,531</u>	<u>54,162</u>	<u>11,980</u>	<u>123,673</u>

(c) Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in meeting its financial obligations.

The PRS Provider manages this risk by maintaining sufficient level of liquid assets to meet anticipated payments and cancellations of the units by members. Liquid assets comprise bank balance and other instruments, which are capable of being converted into cash within 7 business days. The Fund's investments in collective investment scheme are realisable which are capable of being converted into cash within 10 business days. This is expected to reduce the risk for the entire portfolio without limiting to the Fund's growth potential.

	Less than 1 month RM	Between 1 month to 1 year RM	Total RM
31.01.2024			
Amount due to the PRS Provider			
- management fee	5,157	-	5,157

Contractual undiscounted cash flows	<u>4,497,168</u>	<u>15,100</u>	<u>4,512,268</u>

* Outstanding units are redeemed on demand at the member's option. However, the PRS Provider does not envisage that the contractual maturity disclosed in the table above will be representative of the actual cash outflows, as holders of these instruments typically retain them for the medium to long-term.

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(d) Capital risk management

The capital of the Fund is represented by net assets attributable to members of RM4,486,920. The amount of net assets attributable to members can change significantly on a daily basis as the Fund is subject to daily subscriptions and redemptions at the discretion of the members. The Fund's objective when managing capital is to safeguard the Fund's ability to continue as a going concern in order to provide returns to the members and benefits for other stakeholders and to maintain a strong capital base to support the development of the investment activities of the Fund.

(e) Fair value estimation

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e. an exit price).

The fair values of financial assets traded in active markets (such as trading securities) are based on quoted market prices at the close of trading on the financial period end date. The Fund utilises the last traded market price for financial assets where the last traded price falls within the bid-ask spread. In circumstances where the last traded price is not within the bid-ask spread, the PRS Provider will determine the point within the bid-ask spread that is most representative of the fair value. An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

The fair value of financial assets that are not traded in an active market is determined by using valuation techniques.

(i) Fair value hierarchy

The table below analyses financial instruments carried at fair value. The different levels have been defined as follows:

- Quoted prices (unadjusted) in active market for identical assets or liabilities (Level 1)
- Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (Level 2)
- Inputs for the asset and liability that are not based on observable market data (that is, unobservable inputs) (Level 3)

The level in the fair value hierarchy within which the fair value measurement is categorised in its entirety is determined on the basis of the lowest level input that is significant to the fair value measurement in its entirety. For this purpose, the significance of an input is assessed against the fair value measurement in its entirety. If a fair value measurement uses observable inputs that require significant adjustment based on unobservable inputs, that measurement is a Level 3 measurement.

Assessing the significance of a particular input to the fair value measurement in its entirety requires judgement, considering factors specific to the asset or liability. The determination of what constitutes 'observable' requires significant judgement by the Fund.

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(e) Fair value estimation (continued)

(i) Fair value hierarchy (continued)

The Fund considers observable data to be that market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market.

	Level 1 RM	Level 2 RM	Level 3 RM	Total RM
31.01.2024				
Financial assets at fair value through profit or loss:				
- Collective investment scheme	4,388,595	-	-	4,388,595

Investments whose values are based on quoted market prices in active markets, and are therefore classified within Level 1, include collective investment scheme. The Fund does not adjust the quoted prices for these instruments. The Fund's policies on valuation of these financial assets are stated in Note 2(b).

- (ii) The carrying values of cash and cash equivalents, amount due from the PRS Provider - creation of units, amount due from the PRS Provider - management fee rebates and all current liabilities are a reasonable approximation of their fair values due to their short-term nature.

4. MANAGEMENT FEE AND PRIVATE PENSION ADMINISTRATOR ADMINISTRATION FEE

In accordance with the Deeds, the PRS Provider is entitled to a maximum management fee of 3.00% per annum for each unit class, calculated daily based on the NAV of the Fund.

For the financial period from 23 September 2022 (date of launch) to 31 January 2024, the management fee for the respective classes is recognised at the following rates:

Class A	Class C	Class X
1.40%	1.50%	1.40%

The Private Pension Administrator administration fee is recognised at a rate of 0.04% per annum for each unit class, calculated daily based on the NAV of the Fund.

There was no further liability in respect of management fee and Private Pension Administrator administration fee other than the amount recognised above.

5. TRUSTEE FEE

In accordance with the Deeds, the Trustee is entitled to a maximum fee of 0.04% per annum for each unit class, calculated daily based on the NAV of the Fund. The Trustee fee includes local custodian fees and charges but excludes foreign custodian fees and charges, subject to a minimum fee of RM24,000 per annum.

For the financial period from 23 September 2022 (date of launch) to 31 January 2024, the Trustee fee is recognised at a rate of 0.04% per annum for each unit class. There was no further liability to the Trustee in respect of Trustee fee other than the amount recognised above.

In such case, a Member will not be able to redeem the units and will be compelled to remain invested in the Fund for a longer period of time than original timeline. Members' investments will continue to be subjected to the risks inherent to the Fund (Please refer to the "Risk Factors" section in the Disclosure Document). The action to suspend withdrawal requests from Members may be exercised by the Trustee on its own accord in accordance with the GPRS where there are good and sufficient reason to do so, after having considered the interest of Members.
4.1.10./ 50-53	<p>About Principal Asia Pacific Dynamic Income Fund</p> <p><u>Investment policy and principal investment strategy – 1st paragraph</u></p> <p>The Target Fund will be managed with the aim of achieving a stable and positive investment returns over the medium to long term through investments primarily in Asia Pacific ex Japan, i.e. companies that are domiciled in, listed in, and/or have significant operations in the Asia Pacific ex Japan region. For listed securities, the investment must be traded in an exchange that is a member of WFE. 'Significant operations' means major businesses of the company. For example, the Target Fund can invest in a company with significant business/operations in Thailand but listed on the New York Stock Exchange. The threshold for 'significant operations' would be if more than 25% of total group revenue is derived from countries in the Asia Pacific ex Japan region. The calculation would be based on the most recent financial reports released by the companies (e.g., interim and annual reports). The term "medium to long term" refers to a period of three (3) years and more. With effect from 31 March 2021, the Target Fund may also invest up to 20% of its NAV in companies that are listed globally with some business/operations within the Asia Pacific ex Japan region to capture growth opportunities.</p>	<p>About Principal Asia Pacific Dynamic Income Fund</p> <p><u>Investment policy and principal investment strategy – 1st paragraph</u></p> <p>The Target Fund will be managed with the aim of achieving a stable and positive investment returns over the medium to long term through investments primarily in Asia Pacific ex Japan, i.e. companies that are domiciled in, listed in, and/or have significant operations in the Asia Pacific ex Japan region. 	In respect of the above investment restrictions and limits, the SC Guidelines on Unit Trust Funds provides for an allowance of 5% from the restrictions and limits due to appreciation or depreciation of the NAV of the Target Fund (whether as a result of an appreciation or depreciation in value of the Target Fund's investments, or as a result of repurchase of units or payment made out of the Target Fund). If the Target Fund is not within the investment restrictions and limits, the Target Fund Manager should not make any further acquisitions in relation to the relevant restrictions and limits and must rectify as soon as practicable (maximum three (3) months from the date of occurrence). In addition, the Target Fund Manager should inform the SC and the trustee within three (3) Business Days after the Target Fund Manager become aware of such occurrence, except where such occurrence are due to appreciation or depreciation of the NAV of the Target Fund.	In respect of the above investment restrictions and limits, we must notify the SC, within three (3) Business Days, of any breach of investment limits and restrictions with the steps taken to rectify and prevent such breach from recurring. However, the SC Guideline provides that any breach of the restrictions and limits due to appreciation or depreciation in value of the Target Fund's investments, repurchase of units or payment made out of the Target Fund, change in capital of a corporation in which the Target Fund has invested in, or downgrade in or cessation of a credit rating need not be reported to the SC but we must rectify as soon as practicable within three (3) months from the date of breach unless stated otherwise in the SC Guideline. However, the three-month period may be extended if it is in the best interest of unit holders and Trustee's consent is obtained. Such extension must be subject to at least a monthly review by the trustee.

We will refund the investment amount including the Sales Charge (if any) to you in RM within ten (10) calendar days of receiving the authorization of the PPA. Please note that this cooling-off right is only given to a first time Member registered with PPA who is investing with any PRS provider. However, Principal Malaysia's staff, person(s) registered by a body approved by the SC to deal in PRS and contributions made to PRS by an employer on behalf of the employee are not entitled to the cooling-off right.</p>	<p>Cooling-off Period</p> <p>You have six (6) Business Days after your initial contribution (i.e. the date the complete application is received and accepted by us or our Distributors) to reconsider the appropriateness and suitability for your investment needs. Within this period, you may withdraw your investment at the same NAV per unit when the units were purchased or prevailing NAV per unit at the point of cooling-off (whichever is lower) ("Refund Amount"). We must obtain prior authorization of the PPA before proceeding with the refund. We will pay the Refund Amount including the Sales Charge (if any) to you in RM within seven (7) Business Days of receiving the authorization of the PPA. Please note that this cooling-off right is only given to a first time Member registered with PPA who is investing with any PRS provider. However, Principal Malaysia's staff, person(s) registered by a body approved by the SC to deal in PRS and contributions made to PRS by an employer on behalf of the employee are not entitled to the cooling-off right.</p>

12.4/ 84	Retirement, Removal and Replacement of the Trustee <u>Last paragraph</u> Nil	Retirement, Removal and Replacement of the Trustee <u>Last paragraph</u> Notwithstanding the above and subject to the provision set out below, the Fund may be terminated or wound-up, without the need to seek Members' prior approval , as proposed by the PRS Provider with the consent of the Trustee (which consent shall not be unreasonably withheld) upon the occurrence of any of the following events, by giving a notice in writing to the Members of such period not less than that specified in the Guidelines as hereinafter provided (i) if any law shall be passed which renders it illegal or (ii) if in the reasonable opinion of that PRS Provider it is impracticable or inadvisable to continue the Fund, and in any case the termination of the Fund is in the best interest of the Members.
12.5/ 84	Termination of the Scheme and/or Funds <u>Last paragraph</u> Nil	Termination of the Scheme and/or Funds <u>Last paragraph</u> Where a Fund has only one (1) remaining Member, such Member, whether present in person or by proxy, at the meeting shall constitute a quorum required for the meeting of Members.
12.6/ 84-85	Meetings of Members <u>Last paragraph</u> Nil	Meetings of Members <u>Last paragraph</u> Nothing herein shall preclude us from convening any Members' meeting at more than one venue using any communication facility or technology or method available as we shall determine to enable the Members to participate and to exercise their right to speak and vote at that meeting. Where such meeting is convened, any reference to a Member being "present in person" in the Deed, meetings or resolutions shall include, where permitted by us, to that Member being present either remotely or virtually and for the avoidance of doubt it is hereby agreed that the participation by a Member in such meeting using the prescribed communication facility or technology or method shall be deemed as being present at that meeting notwithstanding that the Member is not physically present at the main venue of that meeting.
