- 5.4. The information under the section of “**Processing a withdrawal**” at pages 24 and 25 has been replaced and read as below:

If we receive a complete withdrawal request by 4:00 p.m. on a Business Day, we will process it using the NAV per unit for that Business Day, which will only be known on the following Business Day. If we receive the complete withdrawal request after 4:00 p.m. on a Business Day, we will process it using the NAV per unit for the next Business Day. The amount that you will receive is calculated by the withdrawal value less the Withdrawal Fee, if any. Under normal circumstances, you will be paid in the currency of the Class (e.g. Class USD Unit holders will be paid in USD) within seven (7) Business Days upon our receipt of the complete withdrawal request. You will have to bear the applicable bank fees and charges, if any.

You should note that the time taken to pay the withdrawal proceeds to you (i.e. seven (7) Business Days) may be extended/delayed if:

- (i) The determination of the NAV of the shares of the Target Fund is suspended ^{Note 1};
- (ii) The redemption request of the Target Fund is deferred ^{Note 2}; or
- (iii) There are any unforeseen circumstances that caused a delay in us receiving redemption proceeds from the Target Fund’s manager, subject to concurrence from the Trustee.

Should any of the above events occur, we may not be able to pay the withdrawal proceeds to you within seven (7) Business Days. However, we will pay the withdrawal proceeds to you within five (5) Business Days subsequent to our receipt of redemption proceeds from the Target Fund’s manager.

Note 1: *The determination of the prices of shares of the Target Fund may be suspended during a period when trading on a relevant stock exchange is substantially restricted or when other specified circumstances exist which make it impracticable to dispose of or value any of the investments (as described in section 2.4 “Temporary Suspension”). No share of the Target Fund may be issued, redeemed or switched during a period of suspension*

Note 2: *The Company may limit the number of shares redeemed or switched on any valuation day to 10% of the total number of shares in issue of the Target Fund. In such event, the redemption may be deferred for a period not exceeding ten (10) Luxembourg business days. These instructions to redeem will be executed in priority to later instructions.*

Please refer to the “2.4 Temporary Suspension” section at page 16 for more information. If in doubt, please consult your professional advisers.

- 5.5. The information under the section of “**Cooling-Off Period**” at page 25 has been replaced and read as below:

You have six (6) Business Days after your initial investment (i.e. from the date the complete application is received and accepted by us or any of our Distributors) to reconsider the appropriateness and suitability for your investment needs. Within this period, you may withdraw your investment at the same NAV per unit when the units were purchased or prevailing NAV per unit at the point of cooling-off (whichever is lower) (“Refund Amount”). We will pay the Refund Amount including the Application Fee (if any) to you in the currency of the respective Class within seven (7) Business Days from the date we receive the complete documentations. Please note that the cooling-off right is only given to first time investor investing with us or our Distributors. However, corporations or institutions, Principal Malaysia’s staff and person(s) registered with a body approved by the SC to deal in unit trust funds are not entitled to the cooling-off right.

Please also refer to the Annexure of the respective Class for further information.

- 5.7. The following paragraphs have been inserted immediately after the fourth paragraph under the section of “**Distribution Payment**” at page 26:

The Fund may distribute from realised income, realised capital gains, capital (which may include distributable income which has been accrued as at the end of a financial year but is not declared and paid as distribution at the next distribution date immediately after that financial year end) or a combination of any of the above. Distributions are at our discretion and are not guaranteed, and the making of any distribution does not imply that further distributions will be made and we reserve the right to vary the frequency and/or amount of distributions. The distribution out of capital is to enable us to make a distribution in the event there is insufficient income available for distribution after taking into consideration the level of capital and performance of the Fund and subject to healthy cash flow of the Fund, and any distribution out of capital we make, we will ensure that proper decisions can be made in reducing cost and to ensure stability and sustainability of distribution of income for the Fund without generating any additional risk to the Fund.

THIS IS A FIRST SUPPLEMENTAL INFORMATION MEMORANDUM WHICH HAS TO BE READ IN CONJUNCTION WITH THE INFORMATION MEMORANDUM

Distribution out of capital represent a return or withdrawal of part of the amount of your original investment and/or capital gains attributable to the original investment and will result in a reduction in the NAV per unit of the Classes and reduce the capital available for future investment and capital growth. Future capital growth may therefore be constrained and the value of future returns would be diminished.

- 5.8. The note disclosure under the section of “Distribution Payment” at page 26 has been replaced and read as below:

***Note:** Please note that for Class(es) that provide distribution, we have the right to make provisions for reserves in respect of distribution of the Class. If the income available is too small or insignificant, any distribution may not be of benefit to you as the total cost to be incurred in any such distribution may be higher than the amount for distribution. We have the discretion to decide on the amount to be distributed to you. We also have the discretion to make income distribution on an ad-hoc basis, taking into consideration the level of its realised income, realised gains and/or capital, as well as the performance of the Fund.*

6.0. ADDITIONAL INFORMATION

- 6.1. The information under the section of “**Termination of Fund and/or Any of the Classes**” at page 27 has been replaced and read as below:

Subject to the provision set out below, the Fund and/or any of the Classes may be terminated or wound-up without the need to seek Unit holders’ prior approval as proposed by us with the consent of the Trustee (whose consent shall not be unreasonably withheld) upon the occurrence of any of the following events, by giving not less than one (1) month’s notice in writing to the Unit holders as hereinafter provided (i) if any law shall be passed which renders it illegal or (ii) if in our reasonable opinion it is impracticable or inadvisable to continue the Fund and/or the Class.

A Class may be terminated by Unit holders if a Special Resolution is passed at a Unit holders’ meeting of that Class to terminate or wind-up that Class provided always that such termination or winding-up of that Class does not materially prejudice the interest of any other Class in the Fund.

In the unlikely event that any conflict of interest arises, such conflict shall be resolved such that the Fund is not disadvantaged. In the unlikely event that we face conflicts in respect of our duties as the manager to the Fund and to other Principal Malaysia’s funds that we manage, we are obliged to act in the best interests of our investors and will seek to resolve any conflicts fairly and in accordance with the Deed.
