MARKET REVIEW (23 SEPTEMBER 2022 (DATE OF LAUNCH) TO 31 AUGUST 2023)

Since the Principal Islamic RetireEasy 2030 Fund were launched, it’s been a period where risk assets have been in favor overall globally. There have been periods of draw-downs based on growth and inflation concerns. However, overall investor sentiment has been improving as economic developments and falling inflation have led to higher returns. Although both asset classes performed quite well, developed markets significantly outperformed emerging markets during the period.

(% of NAV)	31.08.2023
Shariah-compliant collective investment scheme	98.21
Cash and other assets	2.11
Liabilities	(0.32)
Total	100.00

The Fund was fully invested during the financial period under review. A minimal level of liquid assets was maintained primarily for redemption purposes.

MARKET OUTLOOK*

In the face of multiple and significant headwinds, global economic growth has proven resilient. Global headline inflation continues to moderate, helped by falling energy prices. Developed market core inflation remains elevated while Emerging market ("EM") inflation fell below developed market inflation in April. We believe most developed markets will continue to increase interest rates or at the least hold rates steady until there is further loosening of inflation.

* This market outlook does not constitute an offer, invitation, commitment or recommendation to make a purchase of any investment. The information given in this article represents the views of Principal Asset Management Berhad ("Principal Malaysia") or based on data obtained from sources believed to be reliable by Principal Malaysia. Whilst every care has been taken in preparing this, Principal Malaysia makes no guarantee, representation or warranty and is under no circumstances liable for any loss or damage caused by reliance on, any opinion, advice or statement made in this market outlook.

INVESTMENT STRATEGY

The Fund will continue to remain fully invested primarily in a diversified portfolio of income generating assets with minimal cash kept for liquidity purposes.

SOFT COMMISSIONS AND REBATES

Principal Malaysia (the "PRS Provider"), the Sub-Manager and the Trustee will not retain any form of rebate or otherwise share in any commission with, any broker or dealer in consideration for directing dealings in the investments of the Fund. Accordingly, any rebates or shared commission will be directed to the account of the Fund. We and the Sub-Manager may retain goods and services (soft commission) provided by any broker or dealer if the following conditions are met:

- (a) the soft commission bring direct benefit or advantage to the management of the Fund and may include research and advisory related services;

SOFT COMMISSIONS AND REBATES (CONTINUED)

- (b) the soft commission bring direct benefit or advantage to the management of the Fund and may include research and advisory related services;
- (c) any dealings with the broker or dealer is executed on terms which are the most favourable for the Funds; and
- (d) the availability of soft commissions is not the sole or primary purpose to perform or arrange transactions with such broker or dealer, and we or the Sub-Manager will not enter into unnecessary trades in order to achieve a sufficient volume of transactions to qualify for soft commissions.

During the financial period under review, the PRS Provider, the Sub-Manager and the Trustee did not receive any rebates from the brokers or dealers but the PRS Provider has retained soft commission in the form of goods and services such as financial wire services and stock quotations system incidental to investment management of the Funds. The PRS Provider confirms that the goods and services received were for the benefit of the Fund, the trades were made on a best execution basis and and there was no churning of trades.

SECURITIES FINANCING TRANSACTIONS

The Fund has not undertaken any securities lending or repurchase transactions during the financial period under review.

STATE OF AFFAIR OF THE FUND

In relation to this Fund, the Fund had issued the First Supplemental Disclosure Document dated 30 August 2023. We are of view that the changes above do not affect the existing members to stay invested in the Fund and it is not a significant change. Members may refer to Appendix 1 for the detailed list of changes.

There were no significant changes in the state of affairs of the Fund during the financial period and up to the date of PRS Provider's report, not otherwise disclosed in the financial statements.

CIRCUMSTANCES THAT MATERIALLY AFFECT ANY INTEREST OF MEMBERS

There were no circumstances that had materially affected the interest of the members during the financial period under review.

CROSS TRADE

No cross-trade transactions have been carried out during the financial period under review.

UNIT SPLIT

No unit split exercise has been carried out during the financial period under review.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
PRINCIPAL ISLAMIC RETIREEASY 2030**

Report on the audit of the financial statements

Opinion

We have audited the financial statements of Principal Islamic RetireEasy 2030 (the "Fund"), which comprise the statement of financial position of the Fund as at 31 August 2023, and statement of comprehensive income, statement of changes in net assets attributable to members and statement of cash flows of the Fund for the financial period from 23 September 2022 (date of launch) to 31 August 2023, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 8 to 28.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Fund as at 31 August 2023, and of its financial performance and cash flows for the financial period from 23 September 2022 (date of launch) to 31 August 2023 then ended in accordance with Malaysian Financial Reporting Standards and International Financial Reporting Standards.

Basis for opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the financial statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence and other ethical responsibilities

We are independent of the Fund in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Code of Ethics for Professional Accountants (including International Independence Standards) ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
PRINCIPAL ISLAMIC RETIREEASY 2030 (cont'd.)**

Report on the audit of the financial statements (cont'd.)

Information other than the financial statements and auditors' report thereon

The PRS Provider of the Fund (the "PRS Provider") is responsible for the other information. The other information comprises the information included in the annual report of the Fund but does not include the financial statements of the Fund and our auditors' report thereon.

Our opinion on the financial statements of the Fund does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Fund, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Fund, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the PRS Provider and the Trustee for the financial statements

The PRS Provider is responsible for the preparation of financial statements of the Fund that give a true and fair view in accordance with Malaysian Financial Reporting Standards and International Financial Reporting Standards. The PRS Provider is also responsible for such internal control as the PRS Provider determines is necessary to enable the preparation of financial statements of the Fund that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Fund, the PRS Provider is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the PRS Provider either intends to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

The Trustee is responsible for overseeing the Fund's financial reporting process. The Trustee is also responsible for ensuring that the PRS Provider maintains proper accounting and other records as are necessary to enable true and fair presentation of these financial statements.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
PRINCIPAL ISLAMIC RETIREEASY 2030 (cont'd.)**

Report on the audit of the financial statements (cont'd.)

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Fund as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Fund, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the PRS Provider.
- Conclude on the appropriateness of the PRS Provider's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Fund or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements of the Fund, including the disclosures, and whether the financial statements of the Fund represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the PRS Provider regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

In accordance with the Disclosure Document, subject to the PRS Provider’s absolute discretion, Class A and Class C are for an individual who has attained the age 18 years as of the date of opening a private pension account while Class X is for Member who participates via his/her employer. Class A and Class C have different Sales Charge and Management Fee while Class X has no Sales Charge.

The Fund seeks to provide sustainable positive total return and to grow the total investment over the long term with retirement as the ultimate goal.

Up to 100% of the Fund’s NAV may be invested in Islamic CIS (including Islamic ETF and Islamic REITs), Shariah-compliant equities, Sukuk, Islamic money market instruments and/or Islamic Deposits. Notwithstanding,

- up to 40% of the Fund’s NAV may be invested in Unrated Sukuk; and
- up to 10% of the Fund’s NAV may be invested in Shariah-compliant securities.

Principal Asset Management (S) Pte Ltd (“Principal Singapore”) was appointed as the Sub-Adviser of the Fund. Principal Singapore will provide investment research and stock recommendation to Principal Malaysia in accordance with the investment objective and within the investment restrictions of the Fund.

All investments are subjected to the SC Guidelines on PRS, SC requirements, the Deeds, except where exemptions or variations have been approved by the SC, internal policies and procedures and the Fund’s objective.

The Fund had issued the First Supplemental Disclosure Document dated 30 August 2023.

The PRS Provider, is a joint venture between Principal Financial Group®, a member of the FORTUNE 500® and a Nasdaq-listed global financial services and CIMB Group Holdings Berhad, one of Southeast Asia’s leading universal banking groups. The principal activities of the PRS Provider are the establishment and management of unit trust funds and fund management activities.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been used consistently in dealing with items which are considered material in relation to the financial statements:

(a) Basis of preparation

The financial statements have been prepared in accordance with the provisions of the MFRS as issued by the Malaysian Accounting Standards Board (“MASB”) and IFRS as issued by the International Accounting Standards Board (“IASB”).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(a) Basis of preparation (continued)

The financial statements have been prepared under the historical cost convention, as modified by financial assets at fair value through profit or loss.

The preparation of financial statements in conformity with MFRS and IFRS requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period.

It also requires the PRS Provider to exercise their judgement in the process of applying the Fund's accounting policies. Although these estimates and assumptions are based on the PRS Provider's best knowledge of current events and actions, actual results may differ.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 2(j).

None of the standards, amendments to standards or interpretations that are effective for the financial period beginning on/after 1 September 2023 are applicable to the Fund.

(b) Financial assets and financial liabilities

Classification

The Fund classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value through profit or loss, and
- those to be measured at amortised cost.

The Fund classifies its investments based on both the Fund's business model for managing those financial assets and the contractual cash flow characteristics of the financial assets. The portfolio of financial assets is managed, and performance is evaluated on a fair value basis. The Fund is primarily focused on fair value information and uses that information to assess the assets' performance and to make decisions.

The Fund has not taken the option to irrevocably designate any equity securities as fair value through other comprehensive income ("OCI").

Investment in Shariah-compliant collective scheme has contractual cash flows that do not represent solely payment of principal and interest ¹ ("SPPI"), and therefore are classified as fair value through profit or loss.

The Fund classifies cash and cash equivalents, amount due from the PRS Provider – creation of units, amount due from the PRS Providers - management fee rebates and amount due from the PRS Providers - disposal of shariah-compliant collective investment scheme as financial assets at amortised cost as these financial assets are held to collect contractual cash flows consisting of the amount outstanding.

All of the Fund's financial liabilities are measured at amortised cost.

¹ For the purposes of this Fund, interest refers to profits earned from Shariah-compliant investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**(b) Financial assets and financial liabilities (continued)**Recognition and measurement

Regular purchases and sales of financial assets are recognised on the trade-date, the date on which the Fund commits to purchase or sell the asset. Investments are initially recognised at fair value.

Financial instruments are recognised in the statement of financial position when, and only when, the Fund becomes a party to the contractual provisions of the financial instrument.

Financial assets are derecognised when the rights to receive cash flows from the investments have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

Financial liabilities are derecognised when it is extinguished, i.e. when the obligation specified in the contract is discharged or cancelled or expired.

Unrealised gains or losses arising from changes in the fair value of the financial assets at fair value through profit or loss are presented in the statement of comprehensive income within net gain or loss on financial assets at fair value through profit or loss in the financial period which they arise.

Dividend income from financial assets at fair value through profit or loss is recognised in the statement of comprehensive income as part of gross dividend income when the Fund's right to receive payments is established.

Shariah-compliant collective investment scheme is valued based on the most recent published NAV per unit or share of such shariah-compliant collective investment scheme or, if unavailable, on the last published price of such unit or share (excluding any sales charge included in such selling price).

Financial assets at amortised cost and other financial liabilities are subsequently carried at amortised cost using the effective interest method.

Impairment for assets carried at amortised costs

The Fund measures credit risk and expected credit loss ("ECL") using probability of default, exposure at default and loss given default. The PRS Provider considers both historical analysis and forward looking information in determining any ECL. The PRS Provider considers the probability of default to be close to zero as these instruments have a low risk of default and the counterparties have a strong capacity to meet their contractual obligations in the near term. As a result, no loss allowance has been recognised based on 12-month ECL as any such impairment would be wholly insignificant to the Fund.

Significant increase in credit risk

A significant increase in credit risk is defined by the PRS Provider as any contractual payment which is more than 30 days past due.

Definition of default and credit-impaired financial assets

Any contractual payment which is more than 90 days past due is considered credit impaired.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(b) Financial assets and financial liabilities (continued)

Write-off

The Fund writes off financial assets, in whole or in part, when it has exhausted all practical recovery efforts and has concluded there is no reasonable expectation of recovery. The assessment of no reasonable expectation of recovery is based on unavailability of debtor's sources of income or assets to generate sufficient future cash flows to repay the amount.

The Fund may write-off financial assets that are still subject to enforcement activity. Subsequent recoveries of amounts previously written off will result in impairment gains. There are no write-offs/recoveries during the financial period.

(c) Income recognition

Dividend income is recognised on the ex-dividend date when the right to receive payment is established.

Realised gain or loss on disposal of shariah-compliant collective investment scheme is accounted for as the difference between the net disposal proceeds and the carrying amount of shariah-compliant collective investment scheme, determined on a weighted average cost basis.

(d) Functional and presentation currency

Items included in the financial statements of the Fund are measured using the currency of the primary economic environment in which the Fund operates (the "functional currency"). The financial statements are presented in Malaysian Ringgit ("MYR" or "RM"), which is the Fund's functional and presentation currency.

(e) Members' contributions

The members' contributions to the Fund meet the definition of puttable instruments classified as financial liability under MFRS 132 "Financial Instruments: Presentation".

The Fund issues cancellable units, in three classes of units, known respectively as the Class A, Class C and Class X, which are cancelled at the member's option and do not have identical features subject to restrictions as stipulated in the Disclosure Document and SC Guidelines on PRS. The units are classified as financial liabilities. Cancellable units can be reinvested to the Fund at any time for cash equal to a proportionate share of the Fund's NAV of respective classes. The outstanding units are carried at the redemption amount that is payable at the date of statement of financial position if the member exercises the right to reinvest the unit to the Fund.

Units are created and cancelled at the member's option at prices based on the Fund's NAV per unit of respective classes at the close of business on the relevant dealing day. The Fund's NAV per unit of respective classes is calculated by dividing the net assets attributable to members of respective classes with the total number of outstanding units of respective classes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**(f) Distribution**

Any distribution to the Fund's members is accounted for as distribution in the statement of comprehensive income as the members' contributions are classified as financial liability as per Note 2(e).

Distribution is reinvested into the PRS on the ex-date. Reinvestment of units is based on the NAV per unit on the ex-date, which is also the time of creation. Proposed distributions are recognised as a liability in the financial period in which it is approved by the Trustee.

(g) Cash and cash equivalents

For the purpose of statement of cash flows, cash and cash equivalents comprise bank balances which are subject to an insignificant risk of changes in value.

(h) Taxation

Current tax expense is determined according to Malaysian tax laws at the current rate based upon the taxable profit earned during the financial period.

(i) Realised and unrealised portions of profit or loss after taxation

The analysis of realised and unrealised profit/loss after taxation as presented on the statement of comprehensive income is prepared in accordance with SC Guidelines on PRS.

(j) Critical accounting estimates and judgements in applying accounting policies

The Fund makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, rarely equal the related actual results. To enhance the information content of the estimates, certain key variables that are anticipated to have material impact to the Fund's results and financial position are tested for sensitivity to changes in the underlying parameters.

Estimates and judgement are continually evaluated by the PRS Provider and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

In undertaking any of the Fund's investment, the PRS Provider will ensure that all assets of the Fund under management will be valued appropriately, that is at fair value and in compliance with the SC Guidelines on PRS.

However, the PRS Provider is of the opinion that there are no accounting policies which require significant judgement to be exercised.

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES

Financial instruments of the Fund are as follows:

	Financial assets at fair value through profit or loss RM	Financial assets amortised at cost RM	Total RM
2023			
Cash and cash equivalents (Note 8)	-	78,559	78,559
Shariah-compliant collective investment scheme (Note 7)	38,370,022	-	38,370,022
Amount due from the PRS Provider			
- creation of units	-	164,259	164,259
- management fee rebates	-	44,701	44,701
- disposal of shariah-compliant collective investment scheme	-	535,000	535,000
	<u>38,370,022</u>	<u>822,519</u>	<u>39,192,541</u>

All liabilities are financial liabilities which are carried at amortised cost.

The investment objective of the Fund is to provide positive total return by investing according to an asset allocation strategy.

The Fund is exposed to a variety of risks which include market risk (inclusive of price risk and currency risk), credit risk and liquidity risk.

Financial risk management is carried out through internal control process adopted by the PRS Provider and adherence to the investment restrictions as stipulated in the Deeds and SC Guidelines on PRS.

(a) Market risk

(i) Price risk

This is the risk that the fair value of the Fund's investment will fluctuate because of changes in market prices. The value of investment may fluctuate according to the activities of individual companies, sector and overall political and economic conditions. Such fluctuation may cause the Fund's NAV and prices of units to fall as well as rise, and income produced by the Fund may also fluctuate.

The price risk is managed through diversification and selection of shariah-compliant collective investment scheme and other financial instruments within specified limits according to the Deeds.

The Fund's overall exposure to price risk is as follows:

	2023 RM
Financial assets at fair value through profit or loss:	
- Shariah-compliant collective investment scheme	<u>38,370,022</u>

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(a) Market risk (continued)

(i) Price risk (continued)

The table below summarises the sensitivity of the Fund's profit or loss and NAV to movements in prices of shariah-compliant collective investment scheme at the end of each reporting period. The analysis is based on the assumptions that the price of the shariah-compliant collective investment scheme fluctuates by 5% with all other variables held constant. This represents the PRS Provider's best estimate of a reasonable possible shift in the shariah-compliant collective investment scheme, having regard to the historical volatility of the prices.

% Change in price of Shariah-compliant collective investment scheme	Market value RM	Impact on profit or loss/NAV RM
2023		
-5%	36,451,521	(1,918,501)
0%	38,370,022	-
+5%	40,288,523	1,918,501

(ii) Currency risk

Currency risk is associated with investments that are quoted and/or priced in foreign currency denomination. Foreign currency risk is the risk that the value of financial instruments will fluctuate due to changes in foreign exchange rates. The Manager will evaluate the likely directions of a foreign currency versus MYR based on considerations of economic fundamentals such as interest rate differentials, balance of payments position, debt levels, and technical chart considerations.

The following table sets out the foreign currency risk concentrations arising from the denomination of the Fund's financial instruments in foreign currencies:

Financial assets	Financial assets at fair value through profit or loss RM	Total RM
2023		
USD	4,580,953	4,580,953
Financial liabilities	Amount due to dealers RM	Total RM

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(a) Market risk (continued)

(ii) Currency risk (continued)

The table below summarises the sensitivity of the Fund's profit or loss and NAV to changes in foreign exchange movements at the end of each reporting year. The analysis is based on the assumption that the foreign exchange rate fluctuates by 5%, with all other variables remain constant. This represents management's best estimate of a reasonable possible shift in the foreign exchange rate, having regard to historical volatility of this rate. Disclosures below are shown in absolute terms, changes and impacts could be positive or negative.

	Change in foreign exchange rate	Impact on profit or loss/NAV 2023 RM
USD	% +/-5	+/-228,082

(b) Credit risk

Credit risk refers to the risk that a counter party will default on its contractual obligation resulting in financial loss to the Fund. The credit risk arising from cash and cash equivalents is managed by ensuring that the Fund will only place deposits in reputable licensed financial institutions. For amount due from the PRS Provider, the settlement terms of the proceeds from the creation of units receivable from the PRS Provider are governed by the SC Guidelines on PRS.

The following table sets out the credit risk concentration of the Fund:

	Cash and cash equivalents RM	Amount due from the PRS Provider - creation of units RM	Amount due from the PRS Provider – management fee rebates RM	Amount due from the PRS Provider – disposal of shariah- compliant collective investment scheme RM	Total RM
2023					
- AAA	78,559	-	-	-	78,559

	<u>78,559</u>	<u>164,259</u>	<u>44,701</u>	<u>535,000</u>	<u>822,519</u>

(c) Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in meeting its financial obligations.

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(c) Liquidity risk (continued)

The PRS Provider manages this risk by maintaining sufficient level of liquid assets to meet anticipated payments and cancellations of the units by members. Liquid assets comprise bank balance and other instruments, which are capable of being converted into cash within 7 business days. The Fund's investments in shariah-compliant collective investment scheme are realisable which are capable of being converted into cash within 10 business days. This is expected to reduce the risk for the entire portfolio without limiting to the Fund's growth potential.

The table below summarises the Fund's financial liabilities into relevant maturity groupings based on the remaining period as at the statement of financial position date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

	Less than 1 month RM	Between 1 month to 1 year RM	Total RM

Contractual undiscounted cash flows	<u>39,171,080</u>	<u>21,461</u>	<u>39,192,541</u>

* Outstanding units are redeemed on demand at the member's option. However, the PRS Provider does not envisage that the contractual maturity disclosed in the table above will be representative of the actual cash outflows, as holders of these instruments typically retain them for the medium to long-term.

(d) Capital risk management

The capital of the Fund is represented by net assets attributable to members of RM39,069,300. The amount of net assets attributable to members can change significantly on a daily basis as the Fund is subject to daily subscriptions and redemptions at the discretion of the members. The Fund's objective when managing capital is to safeguard the Fund's ability to continue as a going concern in order to provide returns to the members and benefits for other stakeholders and to maintain a strong capital base to support the development of the investment activities of the Fund.

(e) Fair value estimation

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e. an exit price).

The fair values of financial assets traded in active markets (such as trading securities) are based on quoted market prices at the close of trading on the financial period end date.

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(e) Fair value estimation (continued)

The Fund utilises the last traded market price for financial assets where the last traded price falls within the bid-ask spread. In circumstances where the last traded price is not within the bid-ask spread, the PRS Provider will determine the point within the bid-ask spread that is most representative of the fair value.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

The fair value of financial assets that are not traded in an active market is determined by using valuation techniques.

(i) Fair value hierarchy

The table below analyses financial instruments carried at fair value. The different levels have been defined as follows:

- Quoted prices (unadjusted) in active market for identical assets or liabilities (Level 1)
- Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices) (Level 2)
- Inputs for the asset and liability that are not based on observable market data (that is, unobservable inputs) (Level 3)

The level in the fair value hierarchy within which the fair value measurement is categorised in its entirety is determined on the basis of the lowest level input that is significant to the fair value measurement in its entirety. For this purpose, the significance of an input is assessed against the fair value measurement in its entirety.

If a fair value measurement uses observable inputs that require significant adjustment based on unobservable inputs, that measurement is a Level 3 measurement.

Assessing the significance of a particular input to the fair value measurement in its entirety requires judgement, considering factors specific to the asset or liability.

The determination of what constitutes ‘observable’ requires significant judgement by the Fund. The Fund considers observable data to be that market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market.

	Level 1 RM	Level 2 RM	Level 3 RM	Total RM
2023				
Financial assets at fair value through profit or loss:				
- Shariah-compliant collective investment scheme	38,370,022	-	-	38,370,022

3. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

(e) Fair value estimation (continued)

(i) Fair value hierarchy (continued)

Investments whose values are based on quoted market prices in active markets, and are therefore classified within Level 1, include shariah-compliant collective investment scheme. The Fund does not adjust the quoted prices for these instruments. The Fund's policies on valuation of these financial assets are stated in Note 2(b).

(ii) The carrying values of cash and cash equivalents, amount due from the PRS Provider - creation of units, amount due from the PRS Provider - management fee rebates and amount due from the PRS Provider - disposal of shariah-compliant collective investment scheme and all current liabilities are a reasonable approximation of their fair values due to their short-term nature.

4. MANAGEMENT FEE AND PRIVATE PENSION ADMINISTRATOR ADMINISTRATION FEE

In accordance with the Deeds, the PRS Provider is entitled to a maximum management fee of 3.00% per annum for each unit class, calculated daily based on the NAV of the Fund.

For the financial period from 23 September 2022 (date of launch) to 31 August 2023, the management fee for the respective classes is recognised at the following rates:

Class A	Class C	Class X
1.40%	1.50%	1.40%

The Private Pension Administrator administration fee is recognised at a rate of 0.04% per annum for each unit class, calculated daily based on the NAV of the Fund.

There was no further liability in respect of management fee and Private Pension Administrator administration fee other than the amount recognised above.

5. TRUSTEE FEE

In accordance with the Deeds, the Trustee is entitled to a maximum fee of 0.04% per annum for each unit class, calculated daily based on the NAV of the Fund. The Trustee fee includes local custodian fees and charges but excludes foreign custodian fees and charges, subject to minimum fee of RM24,000 per annum.

For the financial period from 23 September 2022 (date of launch) to 31 August 2023, the Trustee fee is recognised at minimum fee of RM24,000 per annum.

There was no further liability to the Trustee in respect of Trustee fee other than the amount recognised above.

6. TAXATION

6. TAXATION (CONTINUED)

Income from PRS approved by the SC in accordance with the Capital Markets and Services Act 2007 is exempted from tax in accordance with Schedule 6, Paragraph 20 of the Income Tax Act, 1967 ("ITA").

A numerical reconciliation between the profit before taxation multiplied by the Malaysian statutory income tax rate and tax expense of the Fund is as follows:

	2023
	RM
Profit before taxation	2,902,564
Taxation at Malaysian statutory rate of 24%	696,615

The liquidity risk management framework that we have put in place is as follows:</p> <ul style="list-style-type: none"> ▪ Regular review by the designated fund manager on the Target Fund's investment portfolio to maintain its liquidity level. ▪ Periodic assessments are carried out on the Target Fund's liquidity profile (under both normal and stress market conditions) and on the concentration of unitholders. These assessments allow the Target Fund to be proactively managed to mitigate liquidity concerns that may arise in the ordinary course of portfolio management as well as in relation to the Target Fund's ability to meet unitholders' withdrawal requests. ▪ Suspension of withdrawal requests due to exceptional circumstances. During the suspension period, withdrawal requests will not be accepted and in the event we have earlier accepted the withdrawal requests prior to the suspension is declared, the withdrawal requests will be dealt on the next Business Day once the suspension is lifted. The action to suspend withdrawal requests from unit holders shall be exercised only as a last resort by the Target Fund's manager. <p><i>Note: Please refer to Section 3.10 of the Target Fund's Prospectus for more information.</i></p> <p><u>Permitted Investments – 9th bullet point</u></p> <p>Removed</p>
